

PATIENT INFORMATION SHEET FOR USE OF:

-  **Mepilex® Transfer**

Mepilex Transfer is a dressing that has been ordered by your healthcare provider. It will help your wound to heal and will not stick to your wound

- The dressing will need to be secured with a cover dressing

Disposable gloves should be worn to protect yourself and others

STEP 1. Preparing to care for your wound:

- Clean your work area before changing your dressing
- Gather your supplies as listed under **PATIENT DIRECTIONS**
- Wash and dry your hands

STEP 2. Removing your soiled dressing:

- Remove the cover dressing that is holding your dressing in place
- Remove the **Mepilex Transfer** dressing by gently lifting a corner and peeling away from your wound
- If present, remove wound filler as instructed
- Discard in a plastic bag and remove your gloves
- Wash and dry your hands

STEP 3. Cleaning your wound:

- Clean your wound using wound cleanser as listed under **PATIENT DIRECTIONS**
- Dry the skin around your wound with dry gauze or a clean cloth
- If needed, replace wound filler as instructed

STEP 4. Applying your new **Mepilex Transfer** dressing:

- A** Remove the release paper from the side that will be placed against the wound

- B** Center the dressing over the wound. Place the tacky side down on top of your wound. Gently press the dressing onto your skin making sure all edges are flat

- C** Cover with an absorbent dressing (gauze) and hold your dressing in place with tape or wrap

WHEN TO CALL THE HEALTHCARE PROVIDER (doctor, nurse, therapist)

- Any change in the wound that is a concern to you
- If the drainage from the wound increases
- If you have a sudden increase in pain, or new pain in your wound

- If the area around the wound gets red, swollen or painful to touch
- If the wound color changes from pink or red to a tan, brown or black color
- If you get a fever, or if the wound odor gets worse
- If you have questions

NOTE: The recommendation and information in this material should not be considered a substitute for medical advice or diagnosis. See package insert for full instructions and precautions. Please contact your healthcare provider with any questions regarding the care or condition of your wound.
